~ A message from Mrs. Meadors ~

We wrapped up this week spreading kindness and learning the importance of being kind to our classmates, friends and family. Please ask your child about the fun kindness project they participated in during Art class. We also celebrated 2-22-24 on Thursday by wearing our Tutus and Ties. It was so fun to see all the colorful ties and tutus throughout the building.

We would like to encourage students to participate in the **RECBAR READERS CHALLENGE** hosted by the NAFC Public Library. Students can earn incredible prizes for every 5 hours of reading! Students can sign up at: nafclibrary.beanstack.org/reader365

Help Your Child Succeed in School: Build the Habit of Good Attendance Early

DID YOU KNOW?

- Starting in preschool and kindergarten, too many absences can cause children to fall behind in school.
- Missing 10%, or about 2 days each month over the course of a school year, can make it harder to learn to read.
- Students can still fall behind if they miss just 1 or 2 days every few weeks.
- Being late to school may lead to poor attendance.
- Absences and tardiness can affect the whole classroom if the teacher has to slow down learning to help children catch up.

Attending school regularly helps children feel better about school—and themselves. Start building this habit in preschool so they learn right away that going to school on time, every day is important. Eventually good attendance will be a skill that will help them succeed in high school and college.

WHAT YOU CAN DO

- Set a regular bedtime and morning routine.
- Lay out clothes and pack backpacks the night before.
- Keep your child healthy and make sure your child has the required shots.
- Introduce your children to their teachers and classmates before school starts.
- Develop backup plans for getting to school if something comes up. Call on a family member, a neighbor or another parent.
- Try to schedule non-Covid-19 related medical appointments and extended trips when school isn't in session.
- If your child seems anxious about going to school, talk to teachers, school counselors and other parents for advice on how to make your child feel comfortable and excited about learning.
- If you are concerned that your child may have Covid-19, call your school for advice.
- If your child must stay home due to illness or quarantine, ask the teacher for resources and ideas to continue learning at home.

When Do Absences Become a Problem?

Note: These numbers assume a 180-day school year.

CANCELLATION AND REFUND POLICY

If for any reason you are unable to attend a week for which you are registered, please notify our office one week before the start of the session in order to stop the upcoming draft payment. If you do not contact our office in advance, no refund or credit will be available. If your child attends a different session than what you registered for, you will be charged an overage on your next draft.

The Y is for everyone and we offer income-based financial assistance. We also accept 3-C and other third-party subsidy reimbursements. Valid contracts must be on file with our office prior to the first day of attendance. Y financial assistance may not be available in combination with other child care subsidies.

PAYMENT OPTIONS

Payments can be made by bank or credit card draft. Automatic draft payments must be set up prior to the first day of attendance. Drafts will occur each Wednesday for the current week, unless otherwise scheduled through our main office.
